Dear Patient:

We would like to welcome you to our practice. We realize that you have many choices in selecting an Urologist; therefore, we appreciate you choosing our office.

We would like to give you some information about the background of our doctors. Dr. Mitchell graduated from the University of Texas in Austin, Texas in 1977. He obtained his medical degree from the University of Texas Medical School-Galveston in 1981 and completed a six-year Urology residency program in Shreveport, Louisiana at the LSU Medical Center in 1987. In July, 1987 he opened a solo Urology practice in Kaufman, Texas where he practiced for six and one-half years. In February 1994, he moved to McKinney, and he assumed the practice of Dr. Richard Dulany.

Dr. Stringer graduated from Brigham Young University in 1996. He earned his medical degree from the University of Texas Health Science Center-Houston in 2000 and completed his Urology residency program at the same center in June 2005. He began his urology medical practice in McKinney in August of 2005.

Both Dr. Mitchell and Dr. Stringer are board certified through the American Board of Urology, and they strive to stay abreast of the current trends in medicine. Presently, they are affiliated with Medical Center of McKinney and The McKinney Surgery Center. They also have admitting privileges at Presbyterian Hospital of Plano, Presbyterian Hospital of Allen, Medical Center of Plano, Richardson Regional Hospital, Baylor Frisco Medical Center, Centennial Medical Center and Baylor Plano Medical Center.
